# Studio B at The Broach Approved Caterers

Each of our caterers has been selected because of their unique style and commitment to quality food. Studio B recommends using one of our approved caterers; however, a caterer of one's choice can be used for an additional fee. Clients choosing to use their own caterer will need to contact the caterer and negotiate with the vendor directly.

Studio B at The Broach charges a facility usage fee to our preferred caterers. This fee is usually passed along to the catering client. For parties of 50 – 150 guests, the fee is \$150. For groups of more than 150, the fee is \$200. There is no facility fee for parties of fewer than 50 guests.
